THE UNITED REPUBLIC OF TANZANIA

TRAVEL ADVISORY NO. 12 OF 12th JANUARY 2023

The Government of the United Republic of Tanzania (URT) through the Ministry responsible for Health continues to monitor preventive measures against the spread of COVID-19 including those related to international travel. In view of the current trend of COVID 19 Globally, the Government is updating its Travel Advisory No. 11 of 8th September, 2022 of Tanzania Mainland to version No. 12, effective from 12th January 2023 to accommodate measures as follows:-

1. All travelers entering or transiting URT through land borders, sea ports or airports are advised to be fully vaccinated as per approved schedule of primary vaccination against COVID 19 in their respective countries.

2. All travelers entering or transiting URT Mainland through land borders, sea/lake ports or airports are not required to present a COVID – 19 vaccination certificate or RT-PCR certificate or perform Rapid Antigen Test on arrival unless stated otherwise by conveyance to be used or country of their final destination. However, for surveillance purposes Port Health Officials may at any time perform COVID-19 Rapid Antigen Test free of charge for randomly selected travelers during arrival at points of entry.

3. On arrival, thermal and physical screening will be done. Passengers found to be symptomatic during screening will be immediately isolated and handled as per health protocol.

4. All travelers departing from Tanzania should seek information prior to departure from their travel agents regarding COVID-19 requirements of their country of destination or conveyance to be used.

5. For travelers departing from Tanzania whom conveyances and destination countries requires RT- PCR certificates, test will be done at designated places at their own cost of TZS 115,000 (50 USD) or perform Rapid Antigen Test before departure at their own costs of TZS 23,000 (10 USD).

6. All travelers should self-monitor their health post arrival and shall report to their nearest health facility or call Toll Free Health Emergency Number: 199 for Tanzania Mainland.

NB: This Travel Advisory will be reviewed from time to time as need arises.

Prof. Abel N. Makubi
PERMANENT SECRETARY
