THE REVOLUTIONARY GOVERNMENT OF ZANZIBAR

TRAVEL ADVISORY NO. 15 OF 01st FEBRUARY, 2023

The Revolutionary Government of Zanzibar (RGZ) through the Ministry of Health continues to Monitor precautionary measures to control the spread of COVID-19 including those to international travel. In view of the current trend of COVID-19. Like many other countries, Zanzibar is updating its Traveler Adversary No. 14 of 16th November, 2022 to version 15 of 01st February 2023 to accommodate measures as follows: -

1. **All travelers entering including returning residents or transiting Zanzibar through sea port or airports advised to be fully vaccinated as per approved schedule of primary vaccination against COVID-19 in their respective countries. The only accepted vaccines are those approved by WHO and recognized locally as listed at www.mohz.go.tz**

2. **All travelers entering including returning residents or transiting Zanzibar through sea port or airports are NOT required to present a COVID-19 vaccination certificate or RT-PCR certificate or perform Rapid Antigen Test upon arrival unless stated otherwise by conveyance to be used or country of their final destination. However, for surveillance purposes Port Health Officers may at any time perform COVID-19 Rapid Antigen Test free of charge for randomly selected travelers upon arrival at the point of entry.**

3. **Upon arrival, all traveler's temperature will be assessed through a walking thermos-scan and any travelers found to be symptomatic during the screening will be immediately isolated and handled in accordance to local health guidelines for travelers.**

4. **All travelers departing from Zanzibar should seek information prior to departure from their travel agents regarding COVID-19 requirements of their country of destination or conveyance to be used.**

5. **For travelers departing from Zanzibar to destination countries which requires RT-PCR certificate, the test will be done at the designated places for their own costs of $80 or perform Rapid Antigen Test before departure at their own cost of $ 25.**

6. All travelers are strongly advised to continue self-monitoring their health posts arrival and shall report to the nearest health facility or call Toll Free **Health Emergency Number: 190 for Zanzibar.**

NB: The Travel Advisory will be reviewed from time to time as need arises with accordance to IHR-2005.

NASSOR AHMED MAZRUI
MINISTER FOR HEALTH,
ZANZIBAR
